

GBSI Receives Accreditation for Management of IT Professional Services and Training Services

PRI Registrar recognizes Global Business Solutions, Inc. (GBSI) for its commitment to continual improvement in their management system and becoming certified to ISO 9001:2015.

PENSACOLA, FL – GBSI announces that it has received accreditation for Management of IT Professional Services and Training Services.

“This certification is a significant accomplishment and a testimony to the quality of work our people provide,” said Randy Ramos, CEO. “We’ve always put our customer first. Our people are committed to the success of this company, and now we have documented processes and standards for a Quality Management System to drive continuous improvement. Our QMS will increase communication between functions, which is instrumental in the way we do business.”

GBSI received accreditation for demonstrating their ongoing commitment to quality by satisfying customer requirements and industry specifications.

“GBSI has demonstrated its commitment to world class quality by implementing and becoming certified to the ISO 9001:2015 standard. They have joined an elite number of organizations worldwide who have achieved certification to this globally recognized quality standard,” said Randy Daugharthy, Director of the Registrar Program at the Performance Review Institute Registrar. “PRI Registrar is proud to partner with GBSI in this accomplishment and look forward to continued support of their objective of quality excellence.”
